# **PATHFINDER • 1960**

**FREMONT HIGH SCHOOL • SUNNYVALE, CALIFORNIA**

DYNAMIC SPEAKER, dedicated teacher, and friend, these are just a few phrases that describe you. Your subtle humor, coupled with that sometimes sardonic grin of yours, helps to make you a person we will always remember. Your stimulating teaching methods and your broad knowledge give life to the study of history. Your stories, your lectures, and even your tests make vivid and alive the people and events that have made our country what it is today. The discipline with which you conduct your classes makes us respect you even more. You are an especially interesting person to know both in and out of the classroom. In an effort to let you know how much we appreciate the contribution you have made to our education, we dedicate our annual to you, Mr. Malcolm Hanna. With this 1960 **Pathfinder** goes our best wishes for continued success.

## *... and Now*

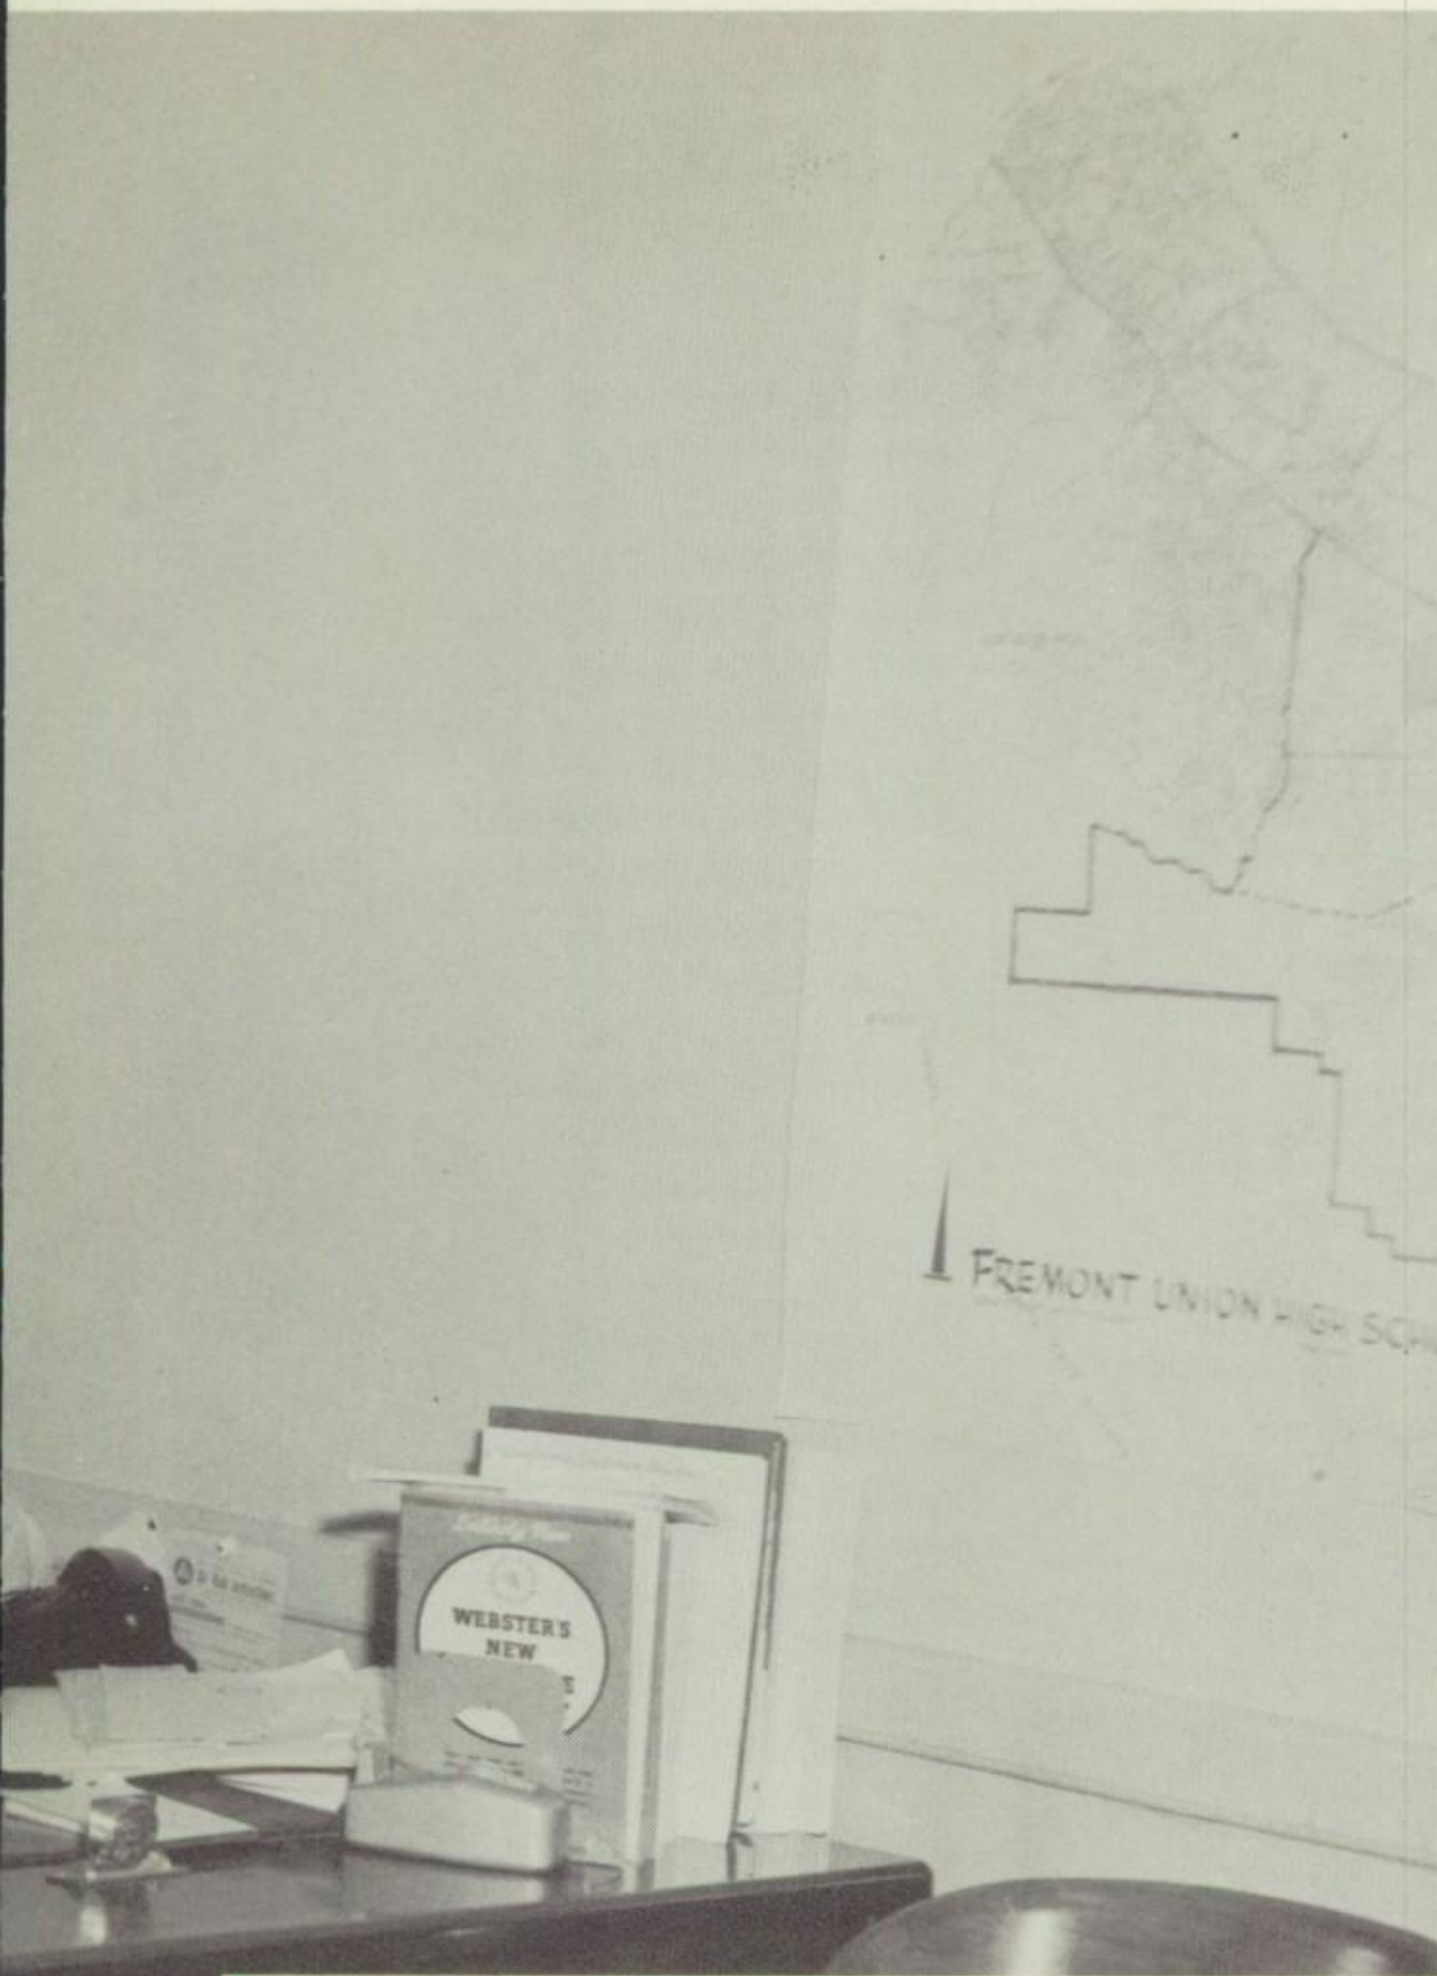

The changes certain to come  
in the decade we are now entering  
makes this a good time  
to take a brief look  
at the past  
along with the present.

Continuous concern  
for the problems  
of the school . . .  
of the individual;  
planning, guiding,  
looking ahead,

## *Workers Behind the Scenes*

THE CUSTODIANS work many long hours to keep the campus clean and beautiful.

THE BUS DRIVERS are a group of men with a great responsibility.

# *School Administration*

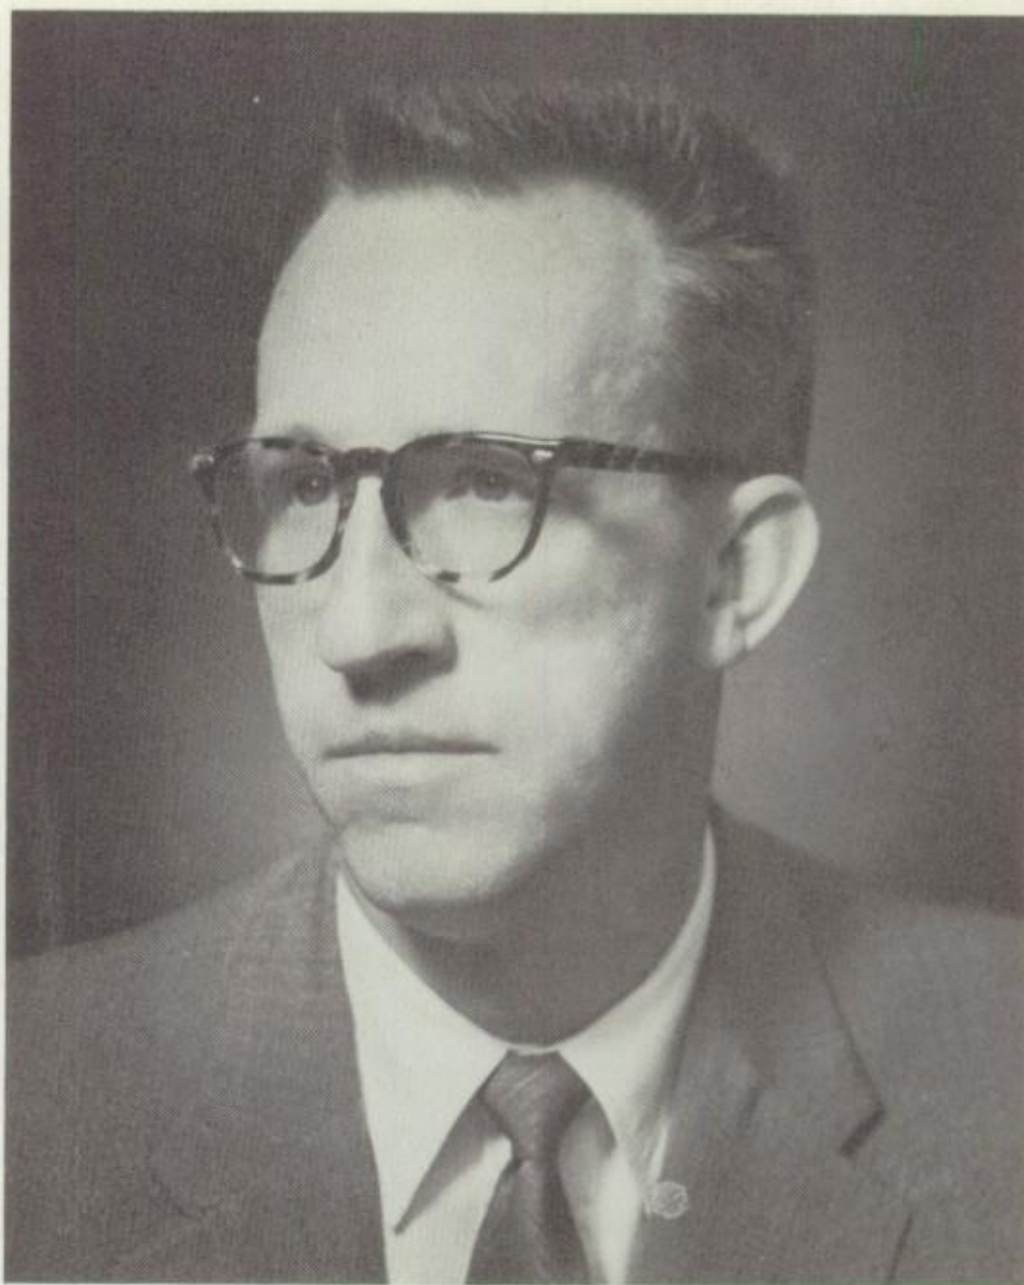

Mr. Roger Adams was the assistant principal and director of student activities.

Miss Bernice Meng, our dean of girls, could always find time for counseling and advice.

Mr. Henry Norberg had the dual role of vice-principal and dean of boys.

## *Principal's Message*

In 1858 Abraham Lincoln spoke as follows: "Our reliance is in the love of liberty which God has planted in our bosoms. Our defense is in the preservation of the spirit which prizes liberty as the heritage of all men, in all lands, everywhere. Destroy this spirit, and you have planted the seeds of despotism around your own doors."

Many times we take our liberty and defense of it too lightly. Perhaps at no time in the history of mankind have we stood at a more crucial crossroads than now. Our very survival depends on how well we build individual responsibility. Freedom is up to you. The race for atomic supremacy will go on and on with no side guaranteed assurance of total, or even partial victory by exploding warheads. Brighter is the prospect of victory and maintenance of a good life for us when equal amounts of time and energy are directed towards building men who love freedom, and who live by the Golden Rule.

As you have progressed through Fremont High School, your teachers, whose lives are dedicated to preserving the best in our culture, have no doubt many times discussed this topic of freedom and individual responsibility with you. It is our hope that you will grow strong and that in your hands our future will be bright.

The staff and I wish for you many more years as successful and happy as the one about to close. We are proud of the many accomplishments to your credit. If the fittest are to survive, we cannot slow or falter but must continue to work steadily together for the common good.

Sincere wishes for your continued enjoyment of the good life,

C. T. HAAN  
Principal

Guilty or not guilty? Either way, one can be sure of a fair trial with the elected judges of the student court. The fall court was presided over by Martha Jones, Linda Pond, Donna Kern, Vicki Butler, and Dean Smith.

The court has the power to interpret the constitution, try all cases of impeachment, revoke student body cards when necessary, and see that grade requirements to hold office are fulfilled. The spring court had as its members Deanna Barker, Deanna Rutter, Jatta Hartman, and Martha Jones.

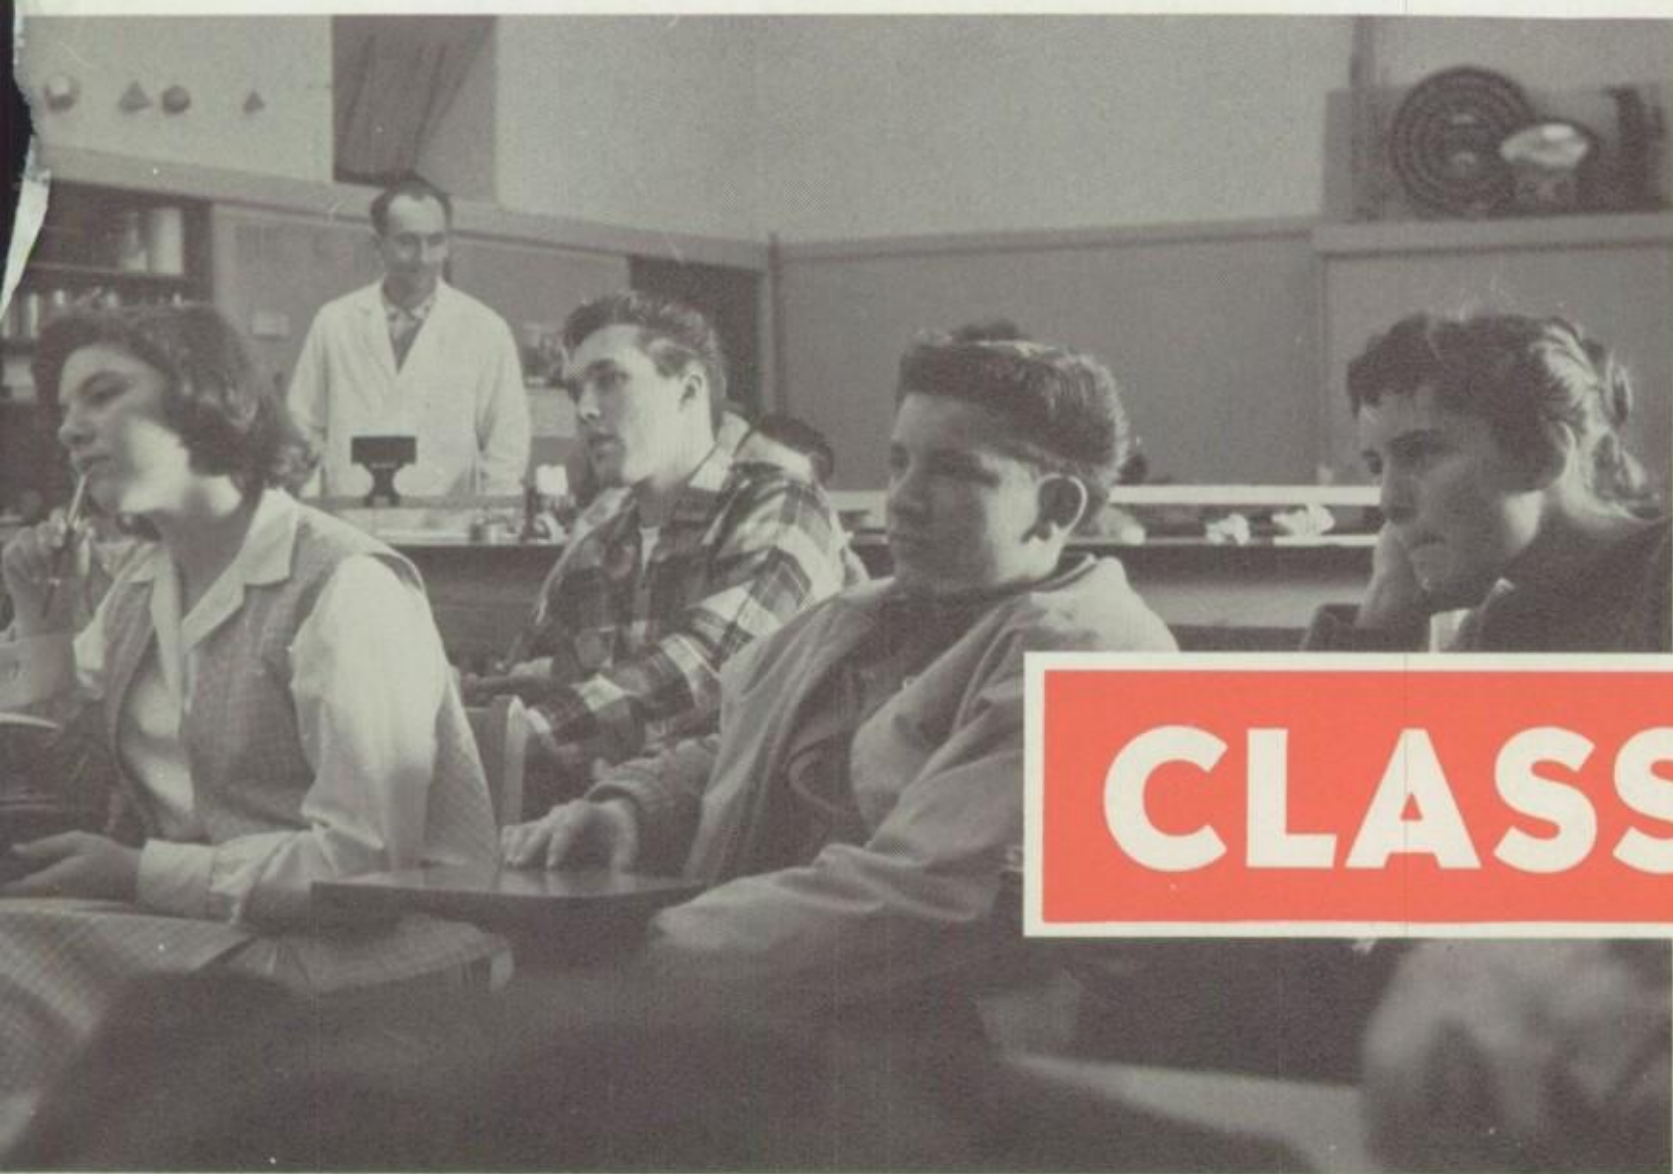

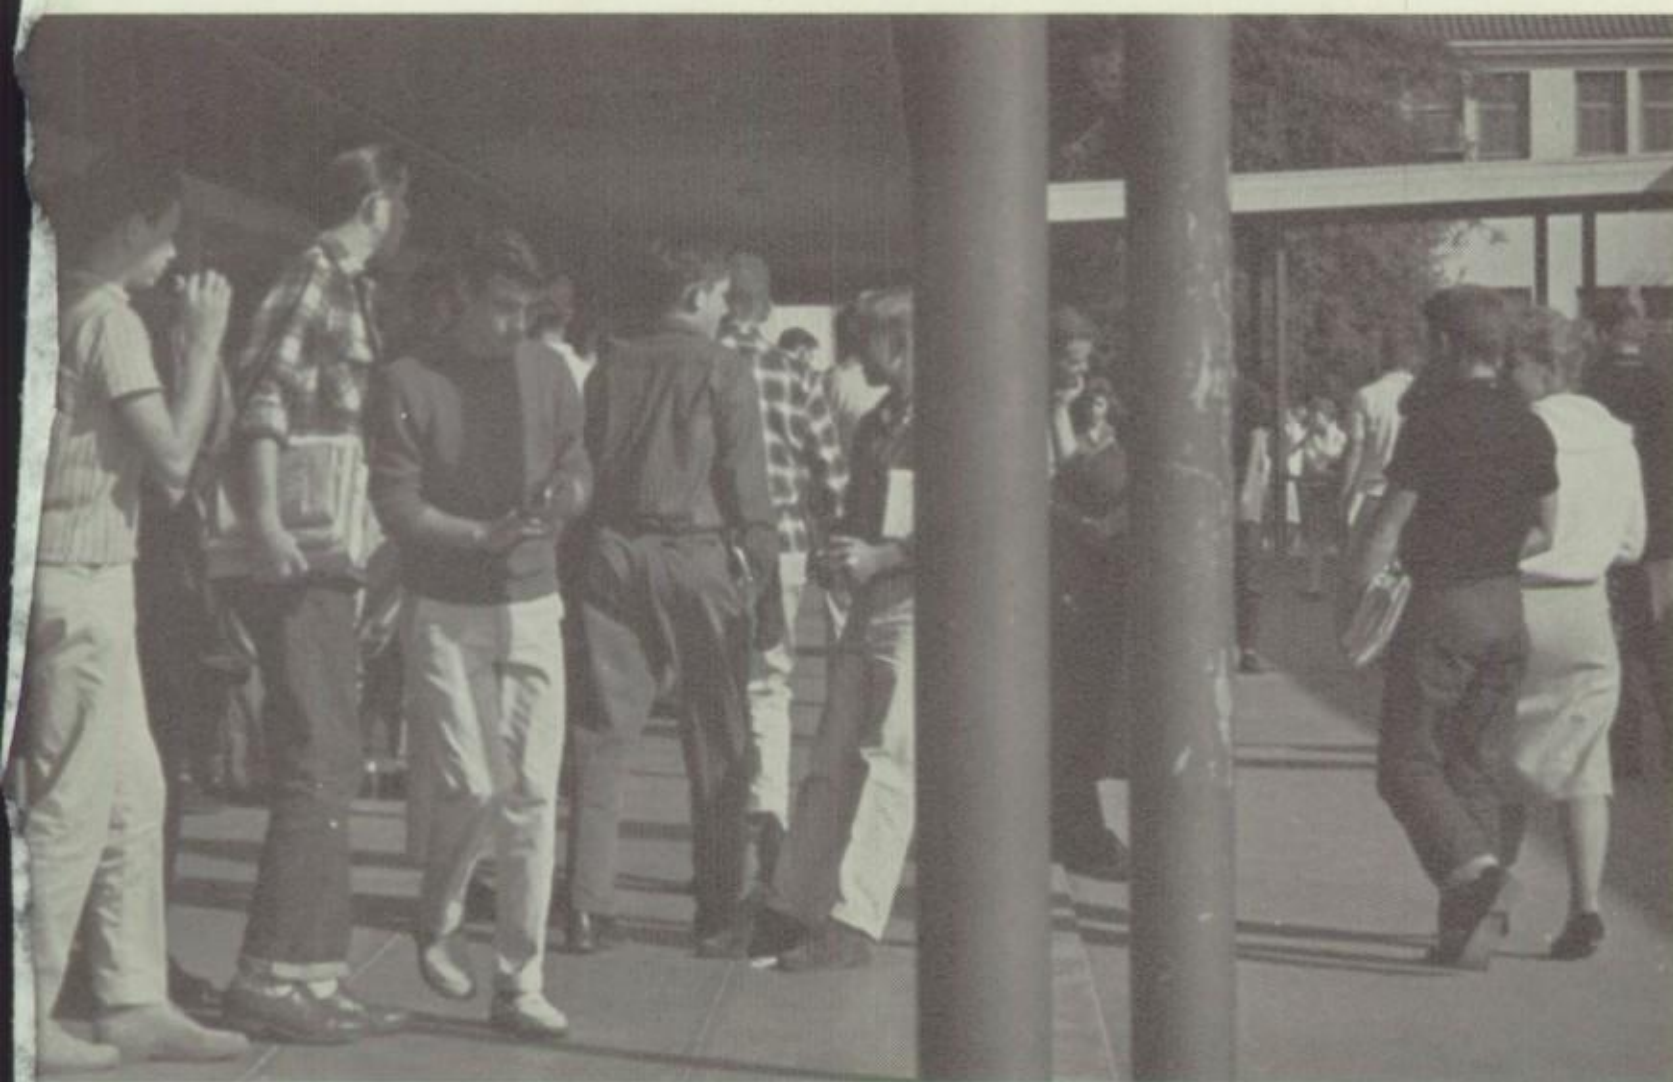

Remember how  
we hurried  
from class to class?  
... five minutes!  
Often the course was fun,  
Sometimes it was hard.  
There was so much  
to learn.  
Often more than we  
could grasp right away.  
If we could just go  
back now ...  
and try again.

# CLASSES

## *Freshman Activities*

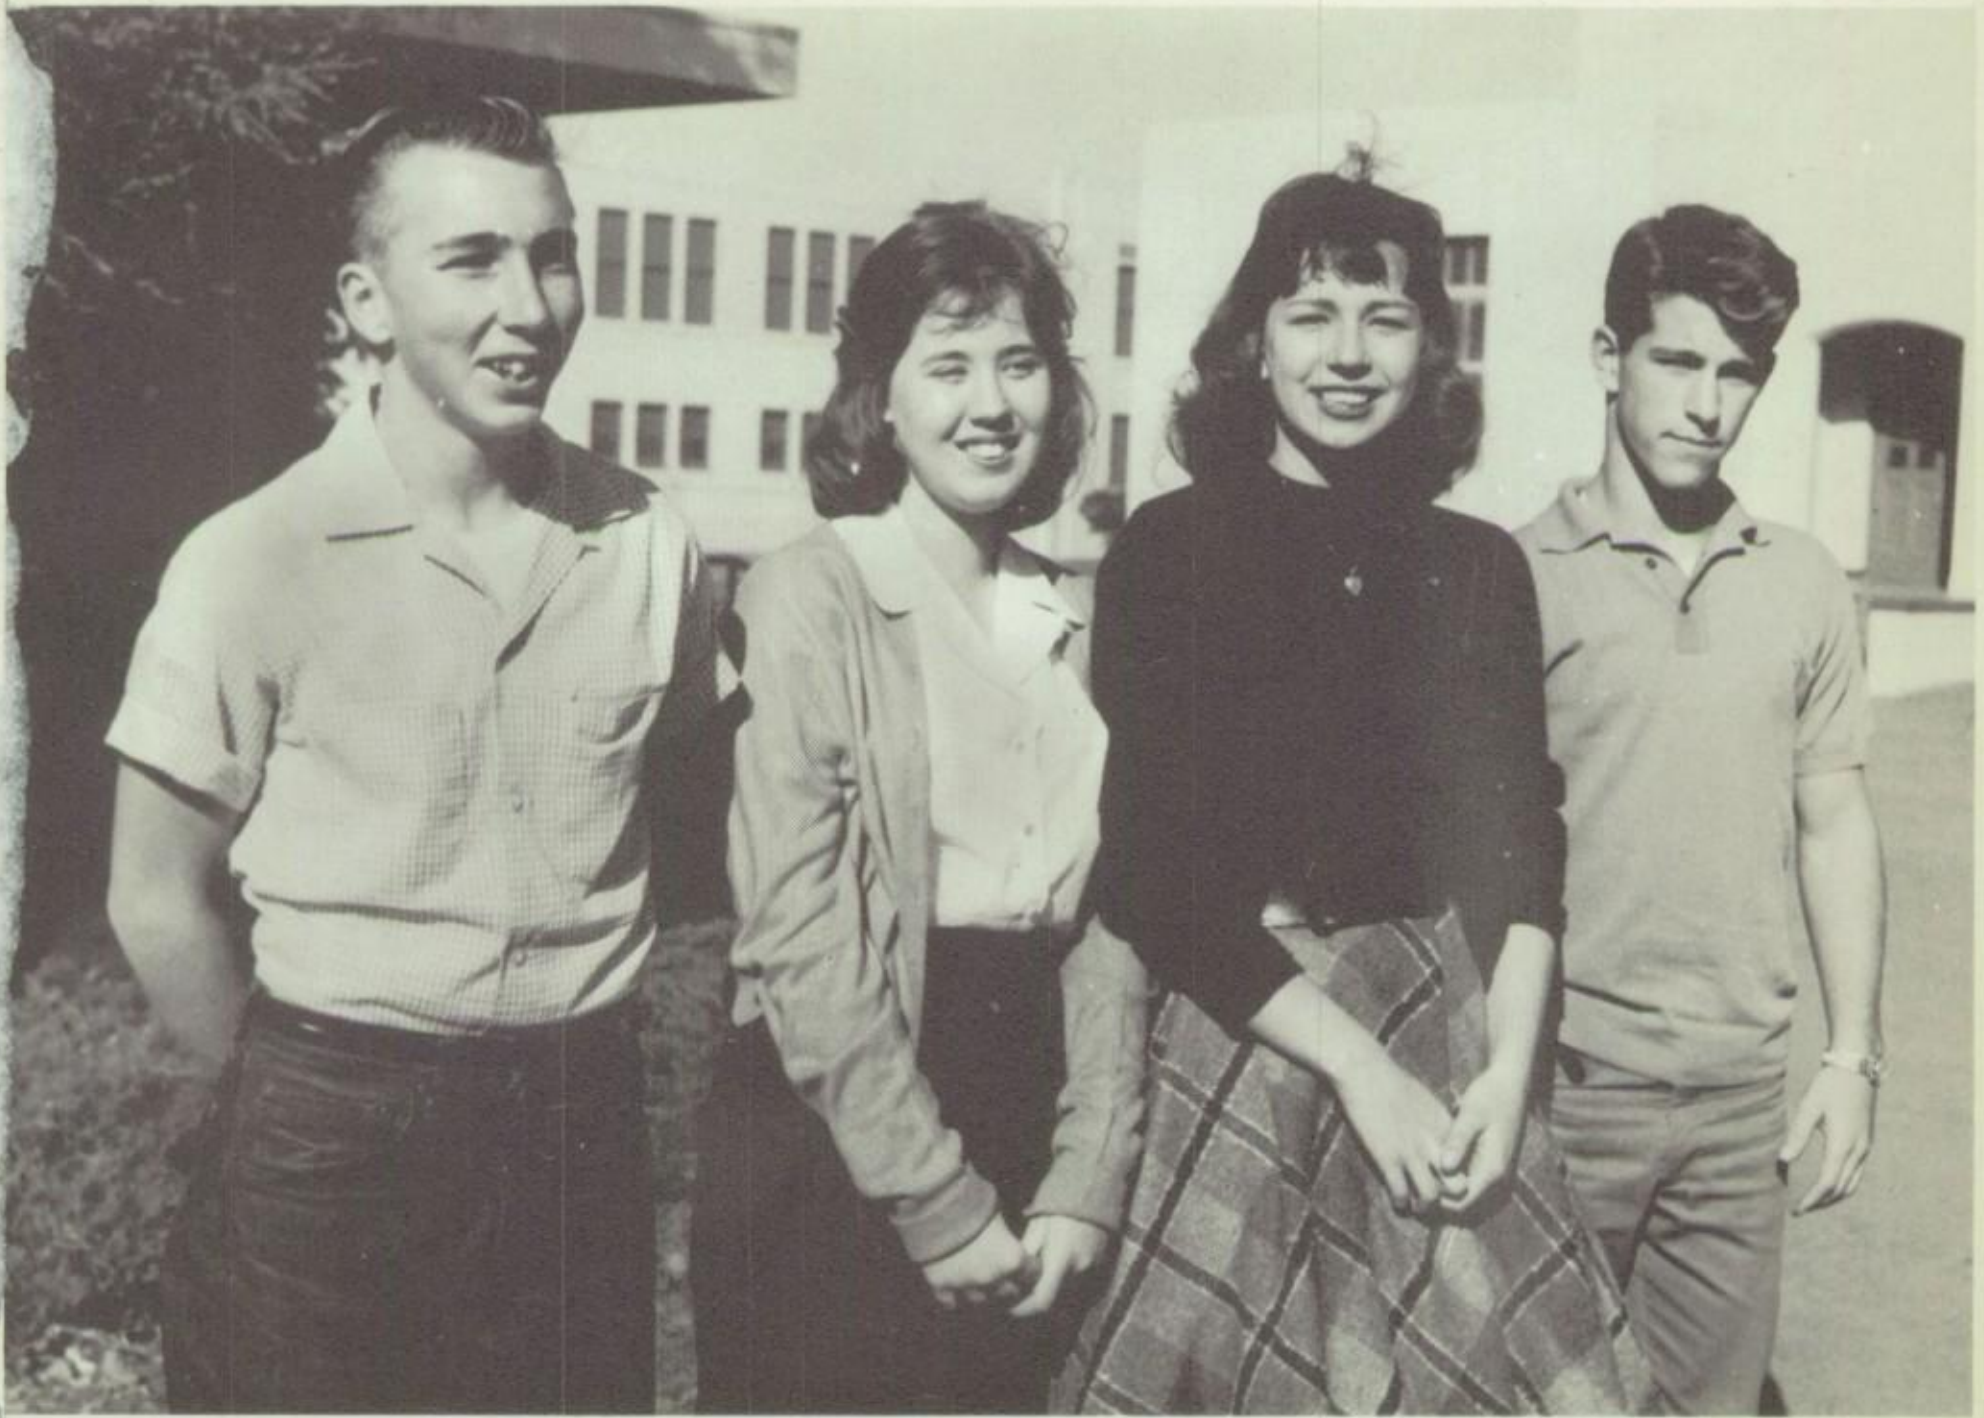

With complete confidence this year's freshmen overcame underclass "jitters" and made themselves known around the Fremont campus. Besides having their class assembly, they also had many new ideas to keep their class active. Among them were a Slave Day and a Shoe Shine Day. Fremont is sure to hear more from this promising class of 1964.

The Frosh Jolly-Up is annually held on the first Friday of school. Its purpose is to acquaint all students, especially the freshmen, with Fremont.

## *Then and Now . . .*

Until 1923, students in this area attended high schools in San Jose, Palo Alto, Santa Clara, Mountain View, and Campbell. On May 1, 1923, the trustees decided to establish Westside Union High School District to commence sessions Wednesday, May 23, at 8:30 A.M. in rooms at Sunnyvale Grammar School. On June 5, 1923, it was decided to purchase the fifteen acres on which the school now stands, for a high school. On July 23, 1923, a contract was let to F. R. Yamish for the building of a school for four hundred pupils at a cost of \$7,191.00. This building, then located on what is currently the front lawn, is now our Wigwam. In 1927, with the completion of the new building facing Fremont Road (pictured above), the name was changed to Fremont High School.

The boy's gym was constructed at the same time as the main building.

## *Sophomores*

This year's sophomore class was a very enthusiastic one. These Fremonters worked very hard on all of their activities, the highlights of which were their class assembly, the Sophomore Hop, and their Easter project. There was a variety of interests and abilities in this class. The sophomores particularly excelled in music, interests ranging from opera and ballet to the band and spirit boosters. Keep up the good work, Sophs!

## *Activities*

This year many junior faces were seen participating in student government, excelling in all of the sports, performing in the band and choir, and taking part in many other extra-curricular activities. The highlights of this class were the Junior Prom, the class assembly, and nominations for Fremont's Foreign Exchange Student program. With both anxiety and anticipation, the juniors worked hard as they prepared for their final year in high school. Lots of luck, Juniors; and may your senior year be the most prosperous and memorable ever!

*Remember U. S. History?*

A special senior meeting was held to discuss the proposal of combining the annual Senior Ball and the all night graduation party.

In December the senior problems classes were honored by the visit of the Honorable Charles Gubser, representative from the 10th Congressional district.

With due respect to the seniors, an area was set aside this year exclusively for them. This lovely grass and patio area faces the bus circle on the south side of the school.

# *Senior Activities*

The Senior Cabinet, with the responsibility of planning the year's senior activities, proved its ability by making such activities as the Senior Ball and Senior Sneak day affairs to remember.

Some of the excitement of graduation permeated the air as senior pictures were taken.

Team teaching made possible a senior problems course with many different activities. One of the year's highlights was a mock legislature in which bills were introduced, committee hearings were held, and debates were heard on the floor.

Mrs. Brown

In comparison with Fremont's first graduating class of nine students, this year's senior class was more than fifty-five times greater than the class of 1927. Among the various activities of the seniors this year were the Valentine's Dance, the senior assembly, Senior Sneak Day, and the Senior Ball. During the past four years the class of 1960 has developed and produced many outstanding leaders in every phase of life at Fremont, from music and extra-curricular activities to speech and scholarship. This class has the ability and initiative to shoulder the responsibilities which will be required of its members by the society into which it is graduating.

. . . A BEAUTIFUL PLACE TO WORK

*Photography by Terry Woods*

## *Around the campus in 1960*

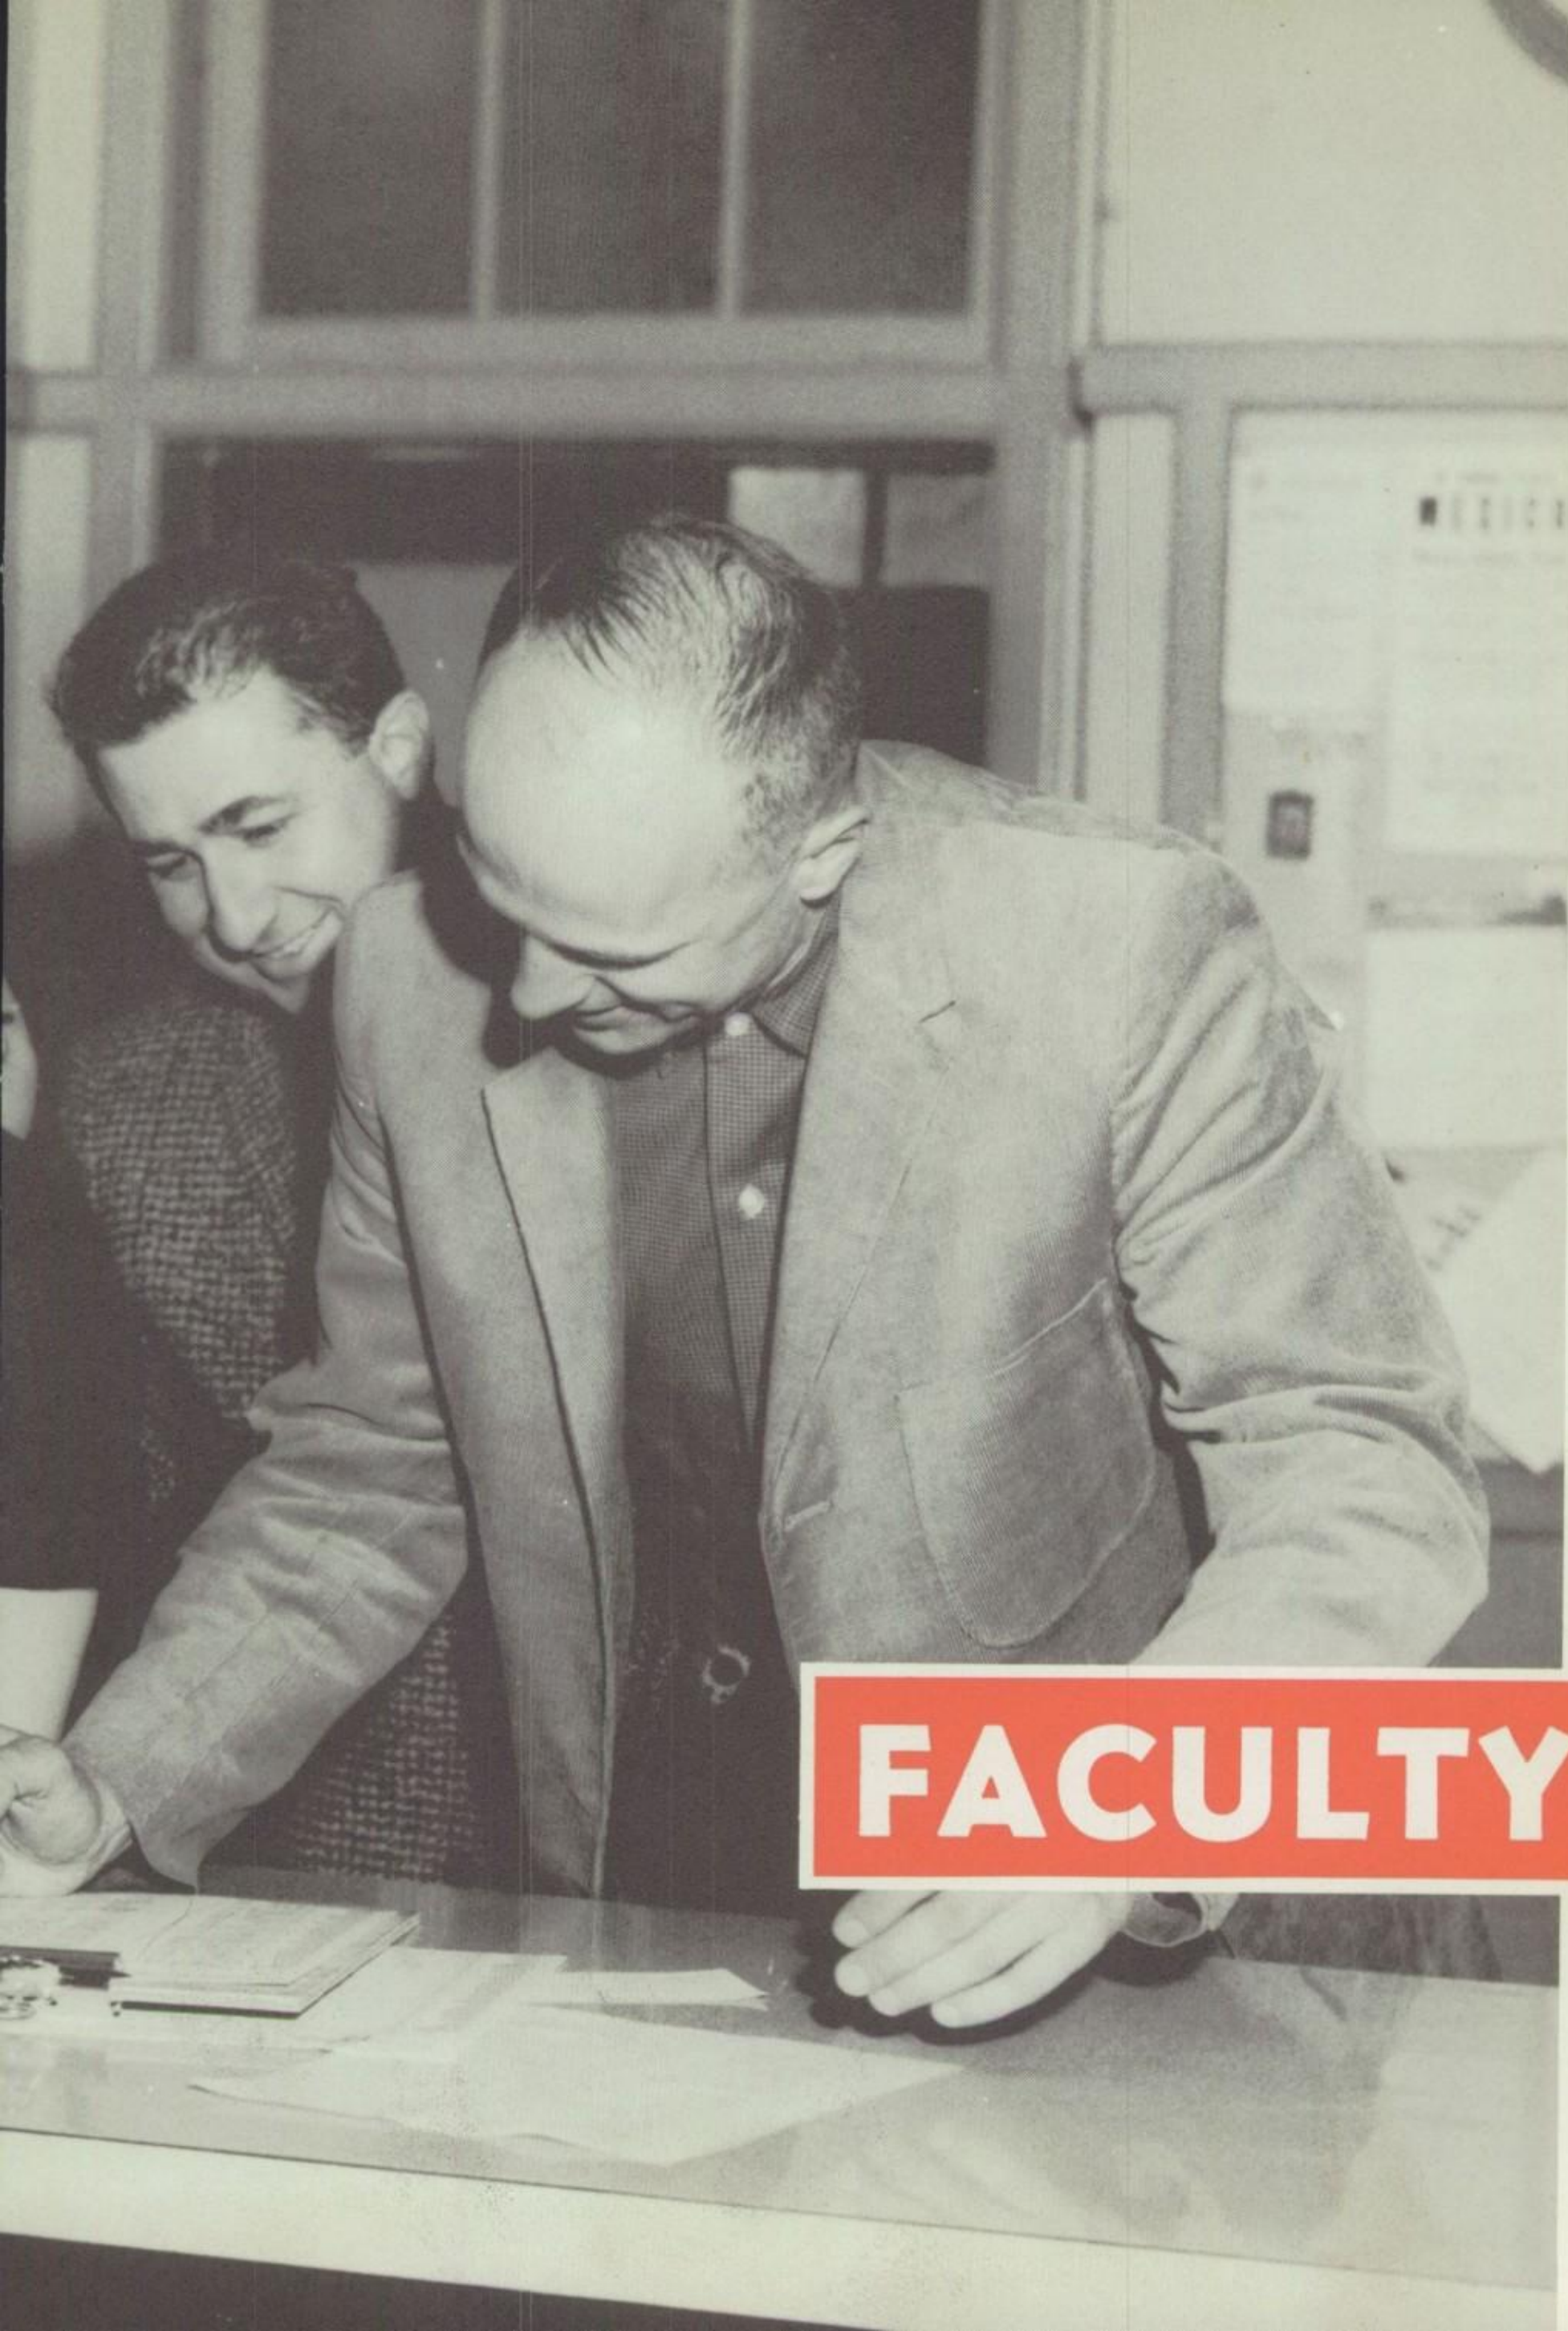

On the next few pages  
are our teachers . . .  
the dedicated  
men and women  
who cheerfully  
come each day  
to the often difficult job  
of imparting to us  
some of the knowledge  
and understanding  
we need to acquire.  
Often this must seem  
a thankless task;  
yet, finally at graduation  
comes the satisfaction  
of a job well done.  
They hope that we  
will retain enough  
of what they have taught  
to make us better able  
to find our place.

DAY BY DAY  
IN THE CLASSROOM

We who attended Fremont High School in 1960 were convinced that we were fortunate in having a very fine faculty to guide us. Here we would like to express our appreciation to this fine group of men and women who have earned our deepest respect and admiration.

Mrs. Johnson, our school librarian, worked hard throughout the year to make available supplementary material for Fremont students.

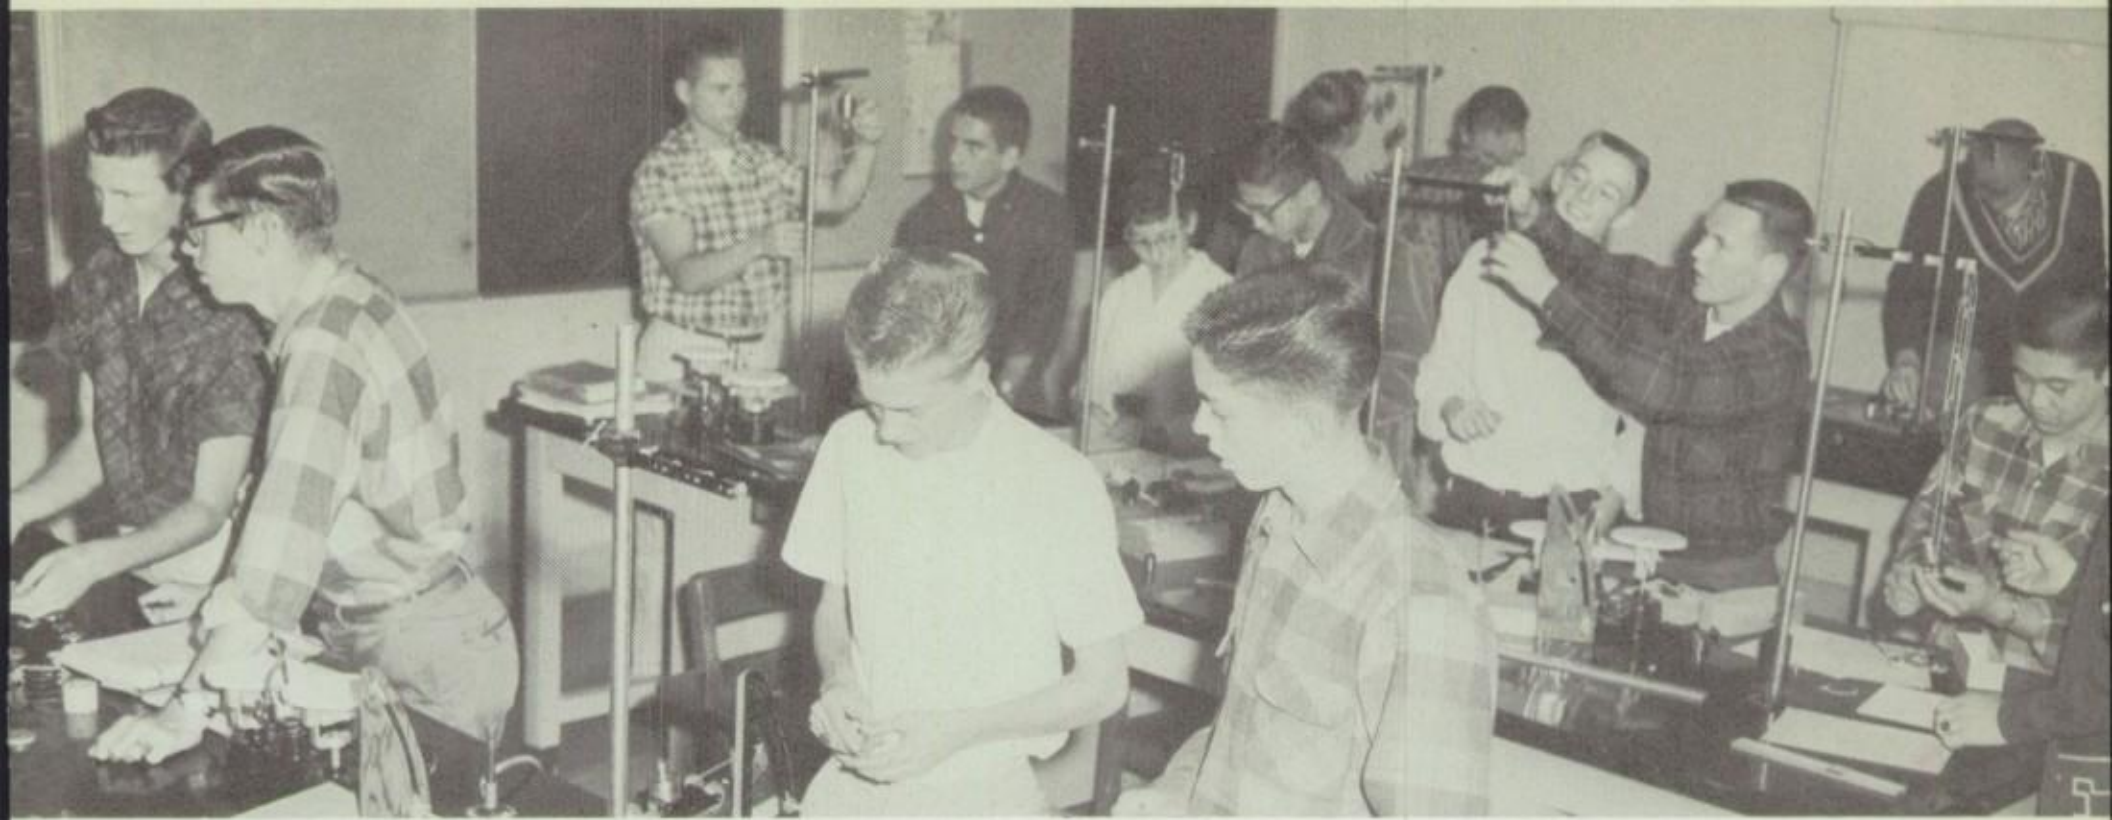

A 1960 innovation in the Fremont curriculum was the use of a school nursery where homemaking students were given the opportunity to work with young children.

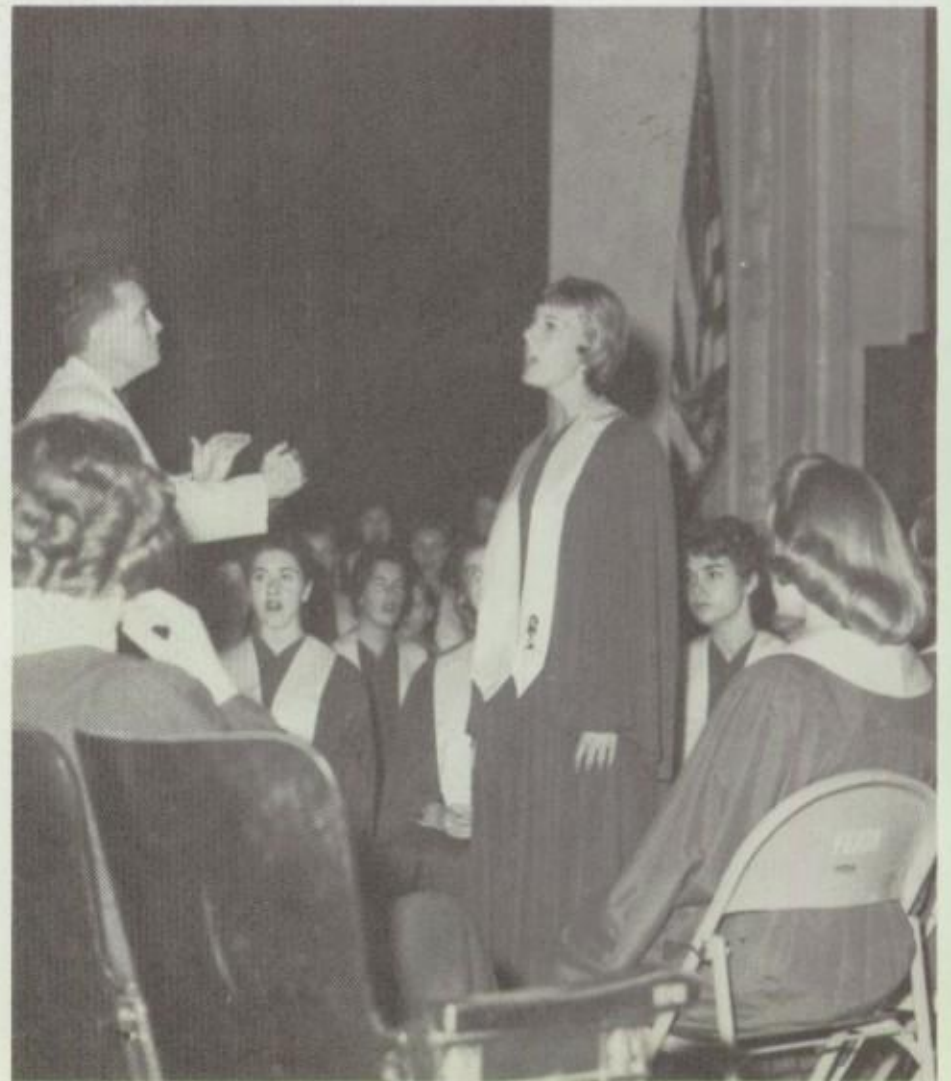

## *Then and Now*

Fremont High School has seen many changes during its thirty years of existence! Originally an agriculturally centered school, Fremont then held classes in the arts of bee keeping, livestock raising, and orchard growing. What is happening today is also making history. In addition to well equipped physics and biology labs, Fremont students can also choose among courses in business machines, radio electronics, metal shops, specially equipped language classes, and many others. The summer of 1958 saw the initiation of summer school at Fremont. Courses were and will be offered in typing, bio-ecology, chemistry, driver training, and other subjects fulfilling modern educational needs. In 1959 Fremont was one of the few high schools to pioneer in "team-teaching," an instruction method in which classes are larger, and instruction duties are shared by two teachers equipped with the latest teaching aids.

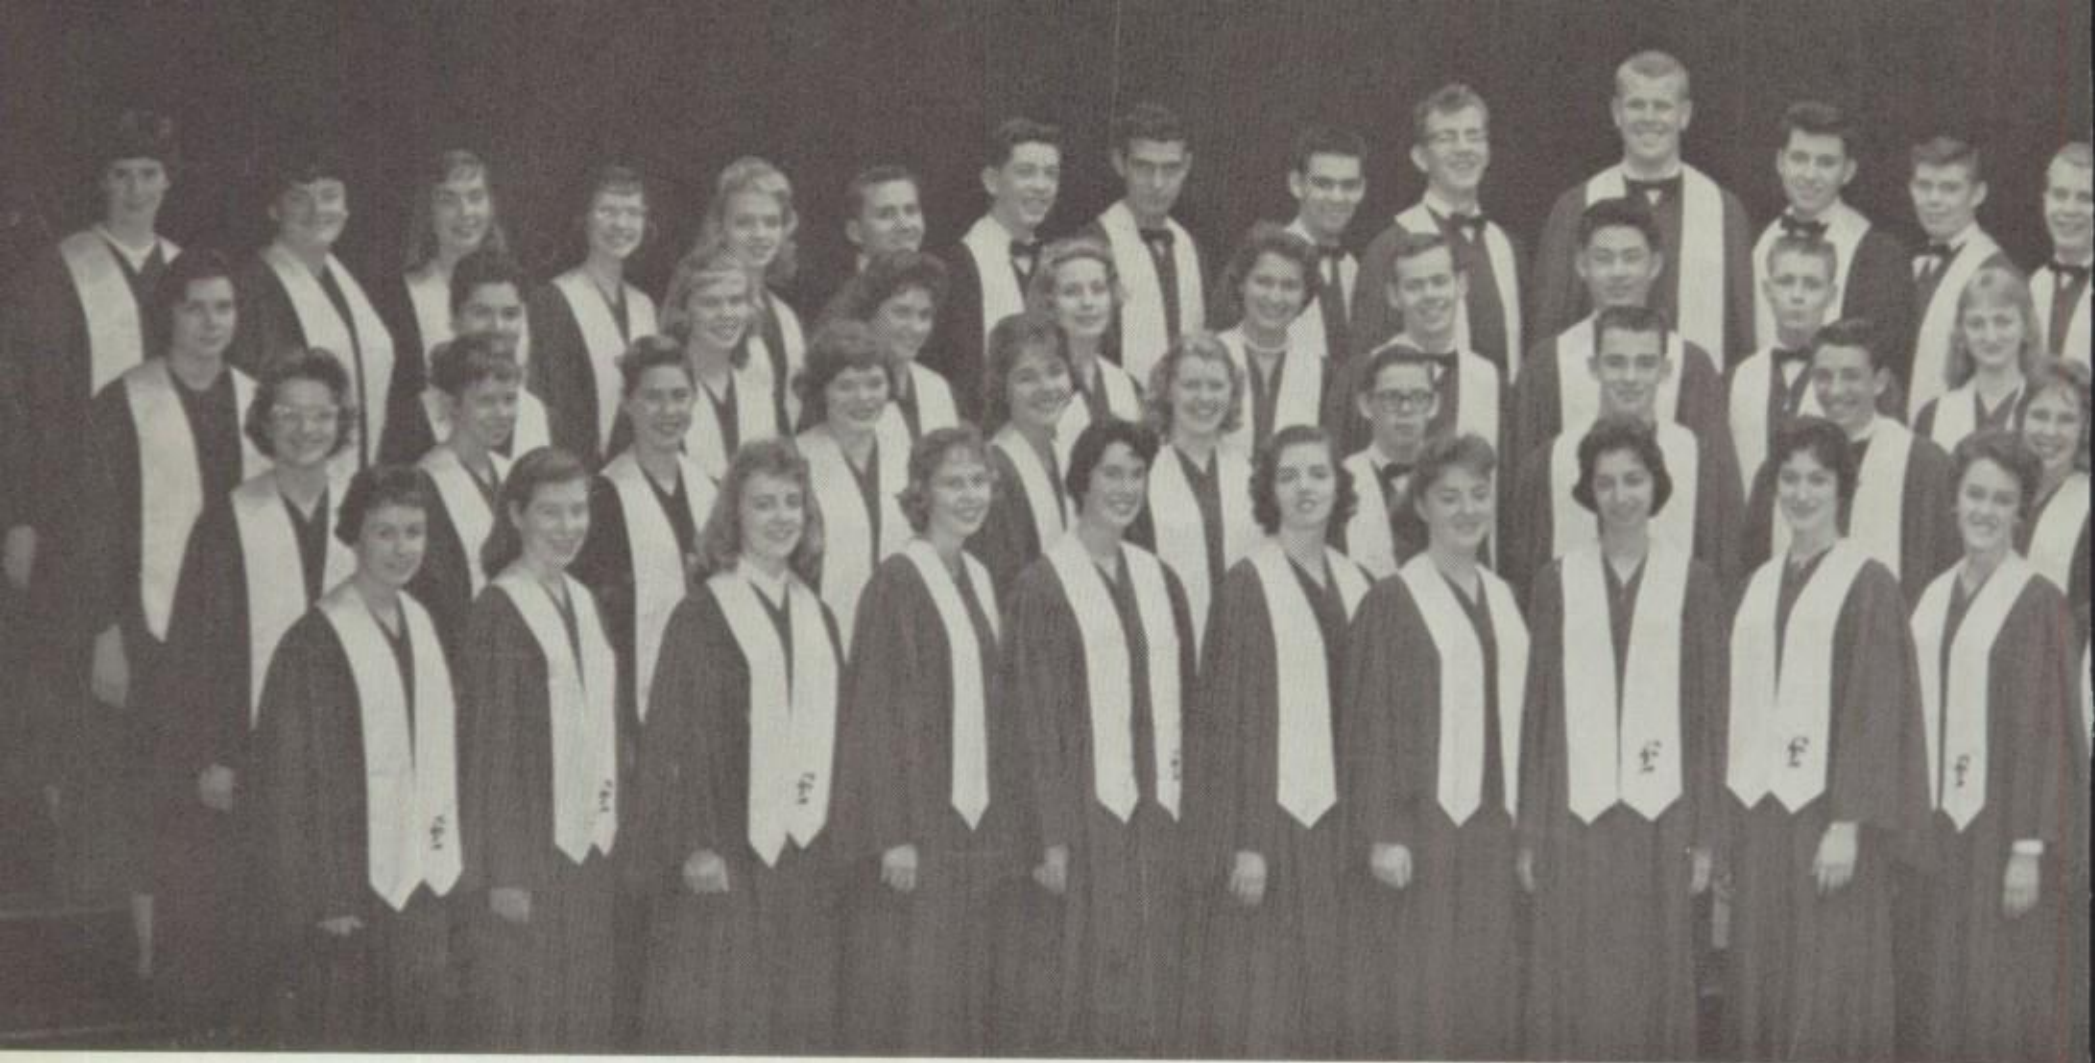

There is more to Fremont  
than classes  
and sports.  
Many other activities  
hold the interest  
of students.  
There is government,  
music, and speech,  
photography,  
electronics,  
and many more.  
Participation  
in a broad range  
of student activities  
is the mark of  
one who wishes  
to get the most  
out of school.

A new addition to the Arts and Crafts Department was Art II - Special Art. This class made posters for our concerts, plays, and special events. These students also worked on stage design and decorations for special programs throughout the year.

# Speech

What, me nervous? Here the National Forensic Leaguers are busy with a last minute review of their speeches. They compete with students from other schools for fun, excitement, and valuable experience.

Grand prize winners  
Grace Podubny and  
Craig McKinna.

Marrying Sam, this year played by Mr. Rasmussen, annually unmarries all the couples at the dance.

# Dances

Certainly a tradition at Fremont, the annual Christmas Ball is the school's only all-school formal dance. This year all the decorations were beautifully reminiscent of an old-fashioned Christmas.

"Be Mine," this year's traditional Valentine's dance was presented by the senior class under the direction of social manager Val Holmes, who was assisted by Terry Lee Wright.

Another first this year was the Homecoming Dance. The Key Club went all out on beautiful decorations, and the student body contributed these lovely girls to reign. Left to Right: Nancy White, June Whitt, Joyce Handrop, Jane Riffle, princesses, and Anne Chambers, Queen.

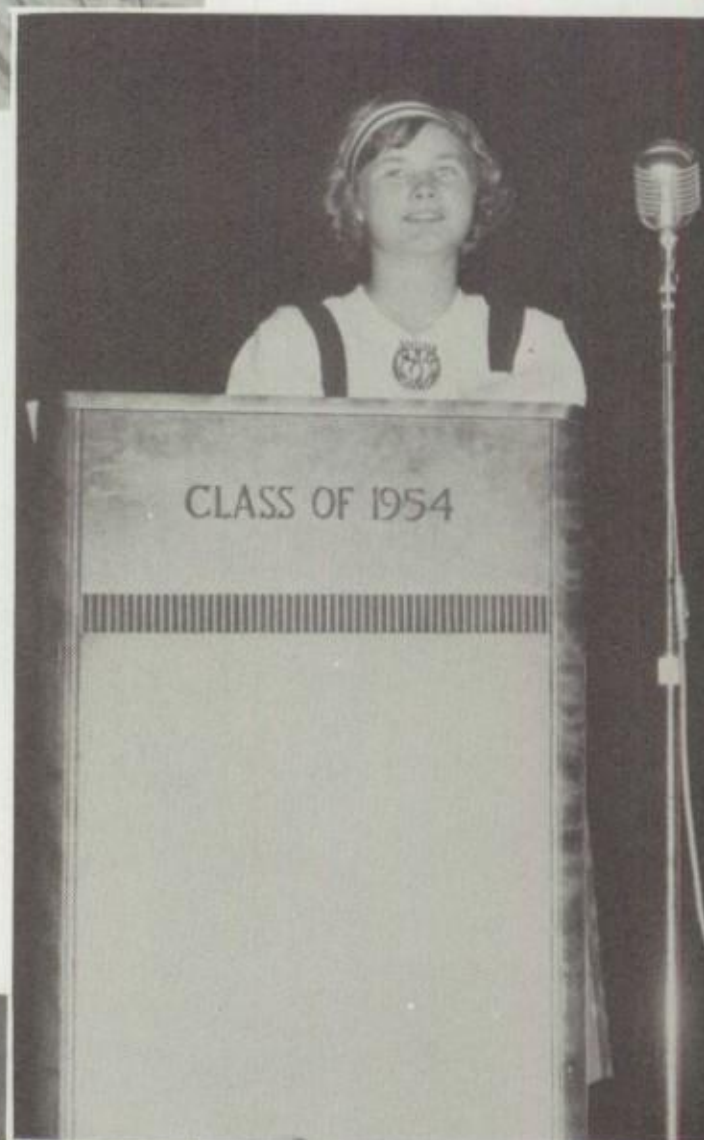

This year Marjatta Hartman came to us from Jarvenpaa, Finland. This petite, rosy-cheeked miss has, in her shy manner, captured the hearts of all who have come to know her. She is shown here with her American mother and sister-classmate Beth Steinkritz.

## Foreign Exchange

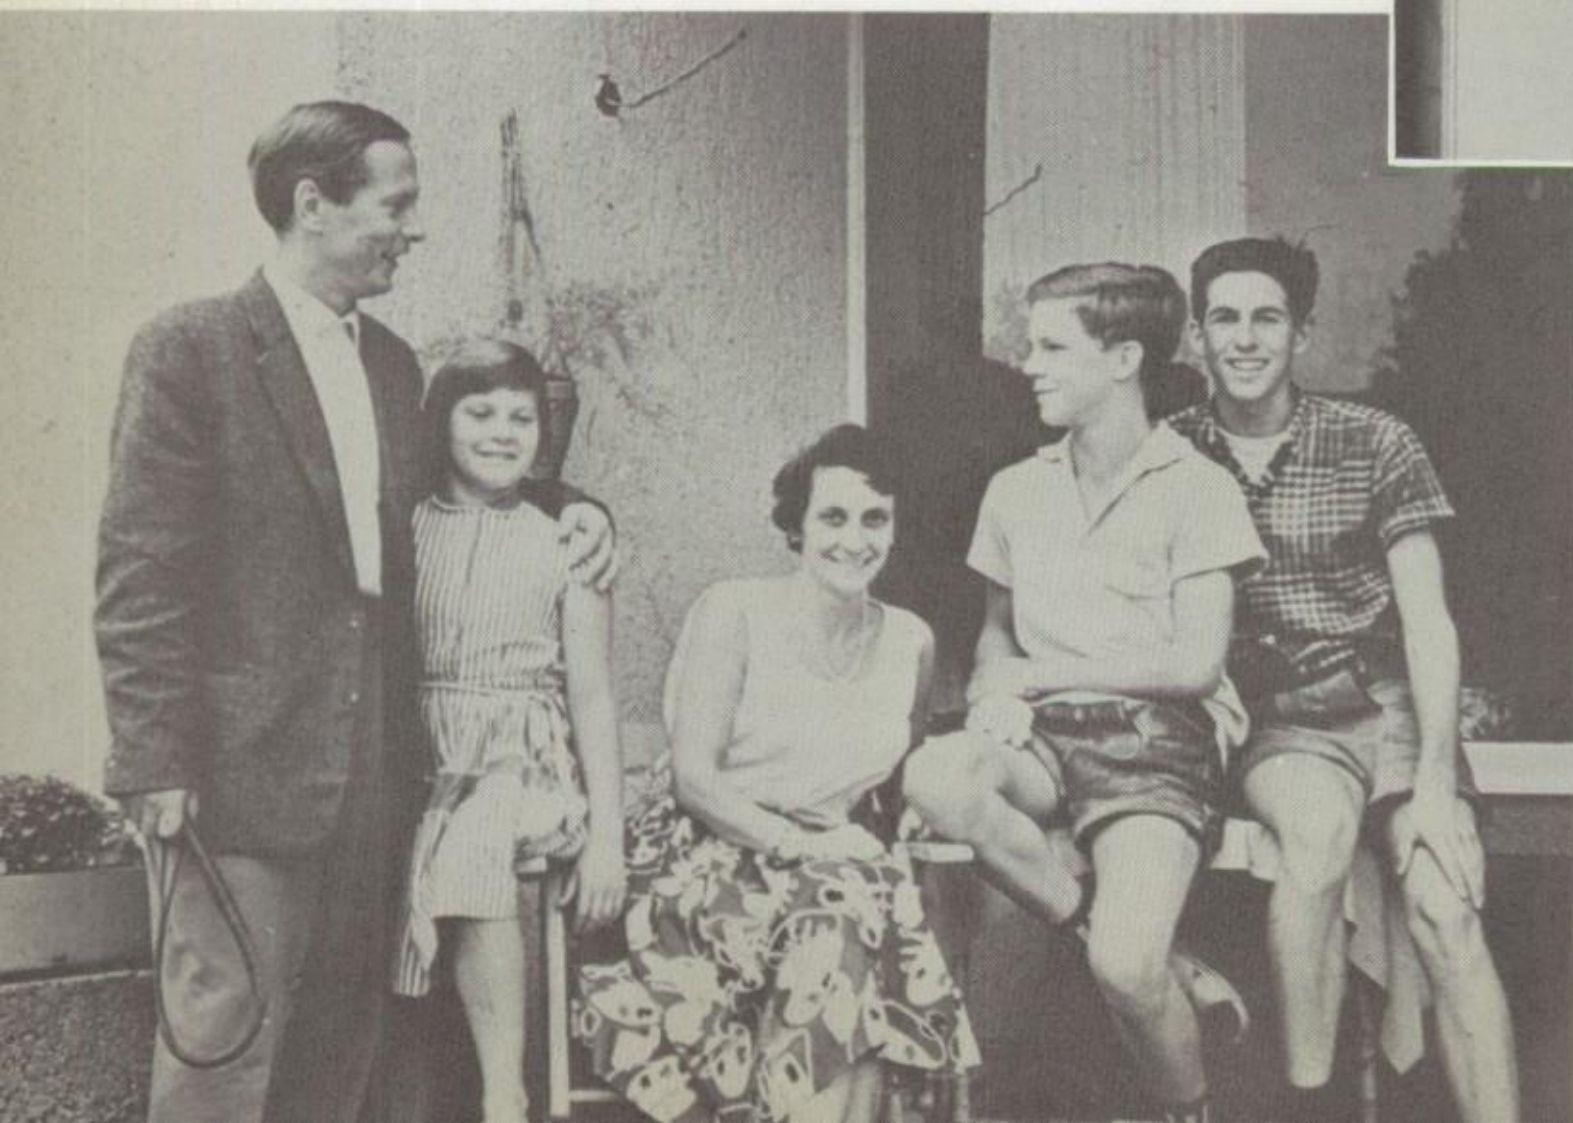

The Foreign Exchange Student Program at Fremont was begun in 1955 when Klaus Jakonfsky came from Germany to become one of our American brothers. In the following years, we have also seen students from France, Denmark, Chile, and Finland.

To fulfill the exchange aspect of this program, American students are given an opportunity to travel and live abroad during the summer months. This phase of the program is largely financed by the magazine drive which is conducted annually. Each fall many juniors begin applying for this distinguished honor as a United States representative abroad.

The Foreign Exchange Student Program is very vital to every person's life because its ultimate goal is to effect world peace through mutual understanding.

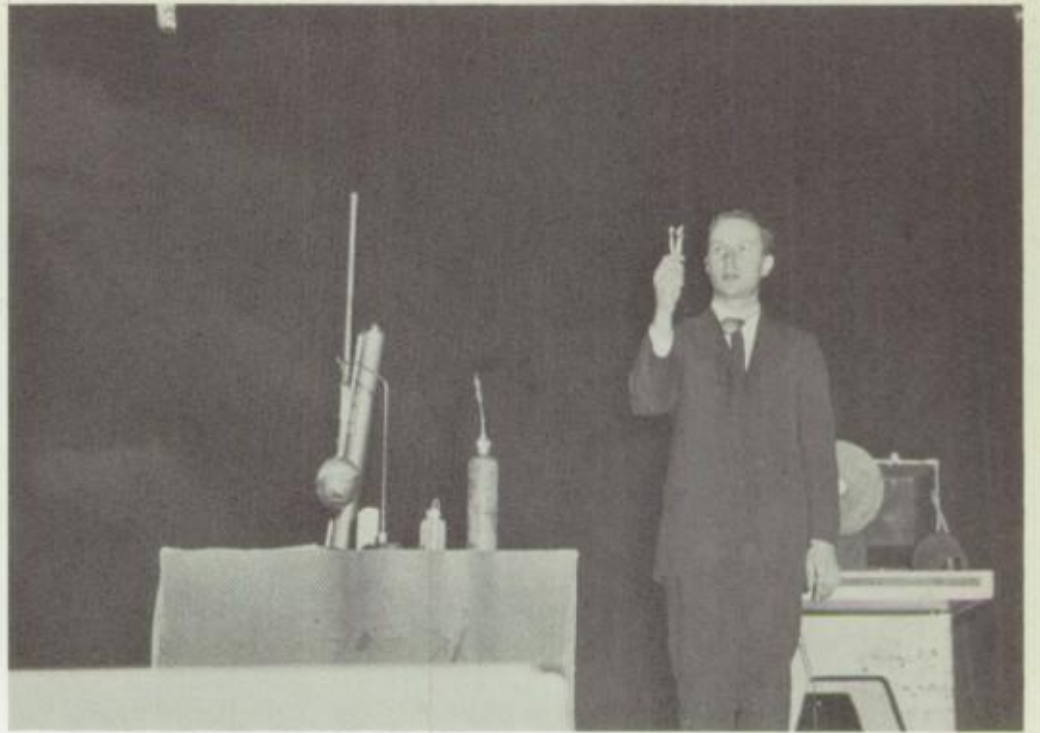

"Jatta" addressing the magazine drive assembly.

Last summer, Phil Krozek, a popular Fremont Senior, journeyed to Germany where he lived in Buch Uber Augsburg and Dahl Bei Hagen. Here he is shown with his family, the Schüsslers of Dahl.

## *Assemblies*

A very interesting series of demonstrations on modern advances in science was presented by General Electric.

The visiting Marine Band pleased us all with its stirring and lively music.

## *A Year of Victory!*

The cooperation, effort, and tremendous desire of the Fremont Indians not only won them the West Santa Clara Valley Athletic League championship but also the finest offensive and defensive records in the League. The one hundred percent effort by all members of this team coupled with the abilities of Tyce Fitzmorris, Mike Shank, and Terry Haynie, to lead it over all but one hurdle, the powerful Los Gatos team. These boys have just cause to be proud; many believe this was one of the greatest teams Fremont has displayed on Diesner Field.

This year's 30's team was the highest scoring lightweight team in the history of Fremont. Their record of eight wins and one loss gave them sole possession of the S.C.V.A.L. championship for the second year in a row. Outstanding player for this year's lightweight team was Co-captain Ron Floyd, who was picked the outstanding backfield man in the League and who led the team at quarterback, completing 60 out of 91 passes. Other all-league first team players were: Mark Williams, offensive tackle; Ed Loeffler, offensive end; Carmen Cruz, all-league defensive line backer; Bob Mibach, all-league defensive tackle. Second team all-league players were Co-captain Dennis Honda, linebacker; Doug Matlack, linebacker; and Doug Springer, defensive halfback.

How proud Fremont was of its marching band! Under the capable leadership of Mr. Harville, the band thrilled us all with its spectacular half-time shows.

Coach

## Junior Varsity Basketball

This year's junior varsity finished the season with a strong team. They won the last three games, ending with five wins and four losses.

One of their outstanding games was a close one played with the Cupertino varsity. The JV's lost this game in the last two minutes of play.

The six-win, four-loss record of Fremont's 30's basketball team was good enough to gain a third-place tie in the West Santa Clara Valley Athletic League; with a few breaks this team would have been in competition for the title. Sophomore Larry Ulrich was the outstanding player for the Indians, placing on the All-League second team.
